The local area

Trevase Granary is located in rural south Herefordshire on a working family mixed farm.

Boasting stunning views across rolling open countryside there are of course local walks and close by Pubs but we are also within a 15 minute drive of the market towns of Hereford, Ross on Wye and Monmouth. We are also within 20 minutes of the variety of outdoor pursuits in the Forest of Dean, Brecon Beacons and the Wye Valley where you can enjoy kayaking, climbing, horse and bike riding or for the more adventurous teams GoApe treetop courses.

We are within an hour of the country's finest racecourses including Cheltenham, Chepstow and Ludlow and there are many golf courses close by including Celtic Manor, the home of 2011 Ryder Cup.

We have good links with a number of local businesses that offer a variety of activities on site such as archery, hands on cookery, cocktail making, or casino nights. If you wanted to try something different we will do our best to help.

What companies have said:

"I booked Trevase Granary for a three day off-site meeting for the Board of Telefonica o2; it was perfect for this type of event as we were keen to get away from corporate life and have some quality thinking time.

The barn is finished to a very high standard and every bedroom is en-suite. The kitchen has every gadget you could possibly require so we had great fun cooking together; the huge dining table allowed us to enjoy some very sociable meals.

Finally the games room provided the post dinner competitive entertainment- great fun!
I highly recommend this place."

"11 of us used Trevase Granary for a KFC Team Build/Off Site Location.

The venue was perfect for us. It provided plenty of space, comfort and an ideal environment to get to know each other better and create a Regional Strategy!

We would definitely use the venue again and highly recommend it to other companies looking for something a bit different from the usual dull and uninspiring hotel meeting rooms.

A BIG Thanks to Liz for being on hand to ensure we had everything we needed!"
